SECRETARY MESSAGE

It gives me immense pleasure to welcome to SVTTC, an infrastructure grandeur and educational hub, seeking new vistas of wisdom and knowledge to stand out distinctly apart.

You are entering into the arena of teacher education when the future is full of opportunities and promises. Today there is wide spread knowledge everywhere with latest technology, skills and avenues emerging in the field of teaching. The horizons of professional activities are expanding and hence today there is much more scope for the younger generation to uncap their talents and touch greater heights of achievements. At the same time, you must realize that there are many challenges in

the field of teaching. Since educational and teaching situation in our country has become quite dynamic and competitive, we have to be ready and equipped with the required abilities and capacities to conquer these newer fields of knowledge and masters newer techniques and skills.

We provide you with the best of facilities. We emphasize on imparting excellent education to our students in an encouraging environment; we pay equal attention to the all round development of our students. We provide them ample opportunities for giving expression to their inner literary creative and artistic talents.

We want our students to be well educated and well trained and to become responsible citizens. You will be happy to know that the track record of achievement of our alumni is indeed commendable. Hundreds of our past students have proved their mettle in different levels of teaching fields. You may feel free to contact me any time with your comments, suggestions, concerns and complements! Please to know that I am honored to serve you at SVTTC. I wish you all the best in your future.

Wishing you all the best:
